

GoldiLox & the Three Habitats: Pre-Reading Activity

Name: _____

1. What do people need to survive? Write at least two things you can think of.

2. A trout is a type of fish. What do you think a trout needs to survive? Write at least two things you can think of.

3. Imagine you are a trout. Draw a habitat you would like to live in.

4. Do you think human changes to the environment can make it difficult for a fish to survive? **Circle your claim:**

Yes, I think human changes to the environment can make it difficult for a fish to survive

- OR -

No, I don't think human changes to the environment can make it difficult for a fish to survive

5. Now read the story of *GoldiLox and the Three Habitats*.

GoldiLox & the Three Habitats: Post-Reading Activity

Name: _____

1. What do trout need to survive? Write at least three things GoldiLox was looking for.

2. Draw a healthy habitat for GoldiLox, the southern steelhead trout.

3. Now that you have read the story, do you think human changes to the environment can make it difficult for a fish to survive? **Circle your claim:**

Yes, I think human changes to the environment can make it difficult for a fish to survive

- OR -

No, I don't think human changes to the environment can make it difficult for a fish to survive

4. Why do you think this?

5. Do you think your nearby creek or river would be good habitat for southern steelhead trout like GoldiLox? Why or why not?

6. What do you think people can do to help southern steelhead trout have a good, healthy habitat?
